

ACTIVITY 2.5: Analyzing Articles about the Fall Economic Statement

Summarize the information for each news article.

ARTICLE #1:

| | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| News source | |
| Headline | |
| Author | |
| Describe the type of article. Is the article a news article, or an opinion column? | |
| Summarize the article. What are the key points of the article? | |
| Success or failure? Does the article declare the Fall Economic Statement to be successful, or not? What evidence or arguments are offered? | |
| Describe the image chosen for the article. If your article contains a picture, why do you think this image was chosen? What is it representing? | |

ARTICLE #2:

| | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| News source | |
| Headline | |
| Author | |
| Describe the type of article. Is the article a news article, or an opinion column? | |
| Summarize the article. What are the key points of the article? | |
| Success or failure? Does the article declare the Fall Economic Statement to be successful, or not? What evidence or arguments are offered? | |
| Describe the image chosen for the article. If your article contains a picture, why do you think this image was chosen? What is it representing? | |
