

ACTIVITY 3.2: Priorities for the Post-Pandemic Recovery

Watch a minimum of four videos from the Key Issues section found at www.budgetconsultation.ca. Afterwards, respond to the questions below.

1. For each video, summarize the speaker's opinion about where investments should be made and the evidence they share to support their thinking.

2. Are there any common themes across the videos? Provide details.

3. Which speaker do you agree with the most and why?
